American Academy of Orthopaedic Surgeons  
Health Volunteers Overseas

**Research Experience:**Emory University:

Research Assistant

PI: Alonzo Sexton MD

- 1) Efficacy of Toradol injections in the Treatment of Subacromial Impingement
- 2) Effects of Weightlessness on Bone Morphogenic Protein Gene Transcription in a Rat Model.

University of Texas Health Science Center San Antonio

Research Assistant

PI: Lorene Trick, M.D.

- 1) Serum Cobalt and Chromium Ion Levels Following Metal-on-Metal Total Hip Arthroplasty Using Different Sized Femoral Heads.
- 2) 180 degree Rotatory Dislocation in a Mobile-bearing Total Knee Arthroplasty: A Case Report

University of Texas Health Science Center San Antonio

Co-Author

Kaye Wilkins, M.D.

Pediatric Fracture Classifications: A Much Needed Review

**Presentations:**Texas Orthopaedic Association Annual Meeting 2008:

Five Minute Exposure to the Distal Radius: A Review of Anatomy and Surgical Technique  
Co-Author: Fred Corley, M.D.

University of Texas Health Science Center Orthopaedic Grand Rounds:

- 1) Common Myths in Orthopaedics
- 2) Metastatic Musculoskeletal Disease
- 3) Patellar Femoral Resurfacing in Total Knee Arthroplasty
- 4) Tibial Plateau Fractures

University of Chicago Lectures:

- 1) Carpal instability
- 2) Extensor Tendon Injuries
- 3) Elbow dislocations: Evaluation and Management

**Languages:**

Arabic  
English

**Interests:**

Soccer, skiing, working out, fishing, jet skiing, motorcycle riding
